ASSEMBLY INSTRUCTIONS

Introduction

Please read all instructions first.

All you need to assemble your unit is a Phillips screwdriver.

Before you begin, take some time to check all parts against the hardware and parts list on the next pages.

Please place all parts on a soft cloth or carpet to prevent scratching during assembly.

To avoid collapse or injury, DO NOT sit, stand or climb on this unit. DO NOT stack heavy objects on this unit.
NEVER put a TV on this product.
NEVER allow children to climb or hang on shelves.

Care and Maintenance

Clean with a soft damp cloth.

Should a deep scratch or gouge occur, we recommend touch up with a matching paint or stain available in most hardware stores.
